## Wines & Spirits

We are proud to use the 'state of the art' **VERRE DE VIN** wine preservation system, which allows us to keep all of our wines served by the glass as fresh as when they were first opened.

Whilst we endeavour to keep our wine list up-to-date, vintages are subject to change and alternatives may be offered.

ALLERGENS: Wines and cider on this list contain sulphites and some may contain traces of milk, egg or fish products used in the fining process. Beers contain barley/gluten. Please ask if you require further guidance.
